

Volodymyr Kuznietsov

Kyiv, Ukraine

Junior Front-End Developer

Motivated and detail-oriented front-end developer with expertise in HTML, CSS, and JavaScript. Proficient in creating responsive and user-friendly web applications.

Skilled in developing web pages and Single-page Applications using JavaScript, React, HTML, and CSS, along with popular UI libraries. Strong understanding of object-oriented programming (OOP), SOLID principles, and design patterns.

Bringing over a year of hands-on experience in front-end development gained through freelance projects. Eager to contribute and grow within a collaborative team environment.
